**Pakedge Signs Distribution Deal With COMM-TEC/VIVATEQ  
for Germany, France, Austria and Switzerland**

*– Pakedge Products to be Featured in COMM-TEC/VIVATEQ Booth at ISE 2011 –*

Foster City, CA – **[Pakedge Device & Software](#)** today announced that it has appointed COMM-TEC/VIVATEQ as its exclusive distributor in Germany, France, Austria and Switzerland.

Pakedge will be exhibiting with COMM-TEC/VIVATEQ at the upcoming ISE (Integrated Systems Europe) show at the Amsterdam RAI Exhibition and Convention Centre, the Netherlands, Hall 2 Booth A50 (February 1 – 3, 2011). ISE is Europe’s premier show for professional audio/video and systems integration and is presented by CEDIA (Custom Electronic Design and Installation Association) and InfoComm International.

COMM-TEC is a leading European distributor and manufacturer of communication and control systems and high-end presentation products for professional systems integration. VIVATEQ is their Residential division, specializing in products for custom installation.

Victor Pak, President and CEO of Pakedge, stated, “Our distribution agreement with COMM-TEC and VIVATEQ will be a key element in providing state-of-the-art connectivity solutions to our international customers. We look forward to a mutually beneficial partnership with COMM-TEC/VIVATEQ in accommodating the growing European market for custom-installation home theater, multiroom A/V, home networking, professional installations and security systems.”
